Our objective is to create two solid Montana teams to compete at the duals. The duals are one of the steps necessary to get our athletes ready for Fargo. The competition level at Pocatello is definitely reaching higher levels each year. We will try to take two kids per weight. Each wrestler who qualifies will wrestle *both* Freestyle and Greco.

Great Falls Camp Information

Training camp check in is Friday, June 7th between 4:00pm & 6 pm. The camp will run from June 7th thru June 13th. Tryouts for the teams will be throughout the week. There will be a dual meet, wrestle-off, for each weight to create an “A” and a “B” team. The dual will be the night of June 12th and is open to the public.

Both teams will then travel to Pocatello on Thursday the 13th to compete on the 14th and 15th.

To keep camp costs down, please let us know if your parents are planning to attend the duals in Pocatello and how many athletes they can transport to Pocatello. If this is possible we can work on a discount for this

We will have a tremendous group of coaches. Coaches that are involved are Caleb Schaeffer, Steve Komac, Jon Muri, Jeremy Laporte, Nick Budeski, Anthony Varnell, and the entire UGF wrestling team.

Camp fee is \$250.00 for registration plus uniform if you make one of the teams. This is the same uniform that you will need for Fargo. Uniforms are being handled differently this year. More information will be distributed when I get it. Your camp fee will offset housing, travel expenses and accommodations in Great Falls and Pocatello.

Housing in Great Falls will be at the University of Great Falls in the Dorm Rooms. Meals will be provided by the University of Great Falls kitchen staff and will be served in the Cafeteria. All other meals during travel and at Pocatello will be the athlete’s responsibility.

If you have any other questions please contact Caleb. For an application that you can fill out electronically, email Caleb at the above address.

You do not have to qualify for this camp. Any cadet or junior may participate. All you will need is a USAW Card which needs to be purchased on-line before you arrive at camp.
