

Montana Cadet/Junior National Team 2016

“Training Camp”: The University of Great Falls Wrestling Program in cooperation with the North Montana Wrestling Club will be hosting the training camp July 5-13 in Great Falls. Wrestlers will be housed, fed, and train on the University of Great Falls campus. These facilities will provide great training conditions and a wonderful experience for all involved.

“Team Montana Staff”: We seek to provide excellent clinicians and workout partners to train all “Team Montana” members. Our staff will include top high school coaches, UGF staff, and collegiate student athletes to assist as counselors. The following is some that have committed. Mike Zadick, Ty Vinson, Dylan Crew, Scott Filius, Steve Komac, Rich Vasquez, Andrew Holmes, Jeremy Shields, and Caleb Schaeffer.

“Details”: Total cost for Team Montana participants will be \$725. This includes the training camp (meals, housing, etc), recreation, transportation, lodging in Fargo, entry fees, and workout gear/uniforms (workout gear, jacket, bag, singlets). Wrestlers are responsible for their own meals in Fargo. This price is currently the most affordable Nationals’ Team experience available (ex. Team Washington - \$2000). Wrestlers not competing in Fargo may attend the training camp portion (July 5-13) at cost of \$350 for residents (dorms, meals, shorts, & t-shirt), or \$175 for commuters (shorts & t-shirt). All wrestlers attending will have a terrific experience while gaining valuable knowledge and skills.
